

Quality, Environment, Occupational Health and Safety Policy Statement

Ancorra Environmental Services Ltd, which operates nationwide within the United Kingdom and Ireland from its bases in Liverpool and Dublin, is a forward-thinking market leader in the provision of waste management and specialist industrial cleaning services.

From our inception, we have been totally committed to ensuring that we provide the very highest standards of service to our customers and that we operate in a manner which protects the environment together with the health, safety and wellbeing of the public, our customers, employees and contractors. To help us achieve these goals, we operate a management system in accordance with the following international standards: ISO 9001, ISO 14001 and ISO 45001.

Our leadership team is fully committed to the provision of all resources necessary to ensure that we:

- Meet (and where possible exceed) the needs and expectations of all interested parties
- Fulfil our compliance obligations (including all applicable legal and other requirements)
- Provide safe and healthy working conditions for the prevention of work related injury and ill health
- Eliminate hazards and reduce occupational health and safety related risks
- Consult with and allow the participation of workers and their representatives in all matters related to occupational health and safety
- Prevent pollution
- Set challenging annual objectives aimed at continually improving our quality, environmental and health and safety performance

As a company which firmly believes in the principles of sustainable development, we also recognize the importance of assisting others to achieve similar business goals and therefore actively encourage our supply chain to adopt similar management practices.
